ST GABRIEL'S
NEWBURY

EPQ Presentations 2026

- How does childhood neglect impact the development of the prefrontal cortex and to what extent does this increase the risk of addictive behaviours?
- To what extent does bilingualism enhance cognitive development and flexibility in early childhood?
- Is sustainable fashion truly achievable on a global scale?
- Does being a female help or hinder one's journey to motorsports?
- Has women's representation in superhero movies had a positive effect on feminism?
- To what extent are serial killers' actions caused by mental disorders and a history of childhood abuse?
- To what extent is language a key component of Welsh culture?
- How have changes to media affected political polarisation?
- To what extent could the spiritual origins of acupuncture be considered the greatest influence on its development?
