

St Gabriel's Risk Assessment - Covid19 – Whole School March 2021 Opening

The following applies to all members of the school community. In all areas identified below, the school is keeping up-to-date with updates and following guidance from the government, DfE, Public Health England and the Foreign and Commonwealth Office.

The school has adopted the government 'bubble' guidelines in risk assessing the full reopening of the Senior, Junior school and Nursery. It is accepted that social distancing may not be possible in all circumstances and the school has assessed and mitigated those risks so far is reasonable practicable.

Hazards identified	Control measures	Extra measures needed	Person responsible
Capacity	<p>Cohort size must not exceed government 'bubble' guidelines.</p> <p>Bubbles are: Years 7 & 8 Years 9 & 10 Year 11 Sixth form Reception/Year 1/Year 2 Year 3/ Year 4 Year 5/Year 6 Sandeford Nursery operating on a room basis.</p> <p>Cohort are segregated from each other to reduce social interaction. Where possible bubble to remain in tutor rooms with teachers coming to each room.</p> <p>Tutor groups and bubbles grouped in specific areas around the school to allow ease of movement between tutor groups in bubbles and the ability to teach in sets for each year group. Breakfast club and Prep arrangements allow for social distancing of pupils belonging to different bubbles. Parents will not enter school to collect pupils from Senior prep. For Junior prep collection parents to ring and wait outside the classroom at designated pick up areas.</p> <p>Facilities are allocated for sole use of each cohort. Pupils informed which toilets are for the specific use of their bubble.</p> <p>Additional staff room provided for senior staff to allow space to work following social distancing guidelines. Separate staff room for Nursery staff to allow social distancing</p>	<p>Year groups combined to achieve appropriate size bubble.</p> <p>Where movement between rooms is required pupils to keep to the left in all corridors and stairs.</p> <p>Allocate break areas for each group and inform students. Staff to monitor during break.</p> <p>Clear signage to encourage social distancing and limit numbers in each staff room</p> <p>2 toilets swap at 3.45pm for after school prep. These are disinfected before and after prep, and signage informs pupils which bubble applies.</p>	<p>Staff</p> <p>Staff/Pupils</p> <p>Staff/ Bursary</p>

Hazards identified	Control measures	Extra measures needed	Person responsible
Access / egress	<p>Sanitise your hands as soon as you arrive at school and before you go home each day.</p> <p>Discourage parents and students from gathering at entrances on arrival and departure. Students to go directly to tutor room on arrival.</p> <p>Each Year group / sub group to have dedicated access/egress route to their room or area of school.</p> <p>Additional car parking created by Farmhouse for staff to ease congestion in main car park for parents</p>	<p>Hand sanitiser stations at every entrance.</p> <p>Health declaration signed.</p>	<p>All</p> <p>School nurse/Staff</p> <p>ALL</p>
Movement around the site	<p>Observe social distancing at all times where possible</p> <p>Staff and pupils to keep to the left in all corridors and on stairs.</p> <p>Staff and pupils to follow one way system where in place</p> <p>Staff and pupils to follow signage where in place</p>		ALL

Hazards identified	Control measures	Extra measures needed	Person responsible
<p>Wearing of Face Coverings</p>	<p>Face coverings are mandatory for all staff and senior school pupils in all communal areas and corridors and where social distancing cannot be maintained. Any member of staff or pupil who is medically exempt must notify the school nurse. Staff and senior school pupils should follow the Senior School Face Covering Protocol.</p> <p>Face coverings are mandatory for all staff and pupils on all school transport.</p> <p>In the event of local lockdown the school will follow government guidance on the wearing of face coverings.</p> <p>Our face-covering protocol will apply at all times when the school is open. Face coverings need not be in uniform colours but should be appropriate, clean and cover the nose and mouth. Face coverings should be worn at all times in communal areas and corridors as there is potential cross-over of bubbles in these areas. There may also be occasions in school where a member of staff asks you to wear a face covering if appropriate distance cannot be maintained. Face coverings do not need to be worn once sitting down in the Dining Room. In the Dining Room face coverings should be tucked up a sleeve while eating and put on again once standing up to empty trays – girls should continue to sanitise on entry to, and exit from, the Dining Room</p>	<p>School executive to monitor government guidance on wearing face coverings and adapt school policy in line with any changes</p>	<p>All</p>

Hazards identified	Control measures	Extra measures needed	Person responsible
<p>Use of indoor space</p>	<p>Where possible Staff are to maintain a safe distance between each other and wear face coverings where not possible. Children are encouraged to do the same with Staff and each other where possible.</p> <p>Limit the number of persons in each room/area to follow social distancing guidance.</p> <ul style="list-style-type: none"> • All persons are to wash/sanitise their hands prior to or upon entering rooms. • Cohorts not mix with each other during teaching time, breaks or outdoor activities. • Space/rooms to be kept very well ventilated. • Pupils to move to any other required room within their bubble space promptly and keeping to the left. • Assemblies will be held using remote technology, form tutors will log on in form rooms. <p>Strict hygiene rules to be implemented, all staff to be asked to do the following:</p> <ul style="list-style-type: none"> • Wash hands/sanitise on entry to setting. • Display PHE handwashing posters around school • Wash hands/sanitise if face is touched. • All hand contact surfaces to be cleaned throughout the day. <p>Equipment:</p> <ul style="list-style-type: none"> • Ensure all equipment used is cleaned between sessions. Teachers to clean desks and other equipment touched before they leave a teaching room and upon arrival. <p>Personal care for pupils</p> <ul style="list-style-type: none"> • Where personal care routinely already involves PPE then this should continue to be the case, <i>no additional measures are required</i> 	<p>Teacher only zone to be marked as required by each year group</p> <p>Teacher 2 metres round desk – pupils facing front</p> <p>Sanitisation materials available in each classroom</p> <p>Daytime cleaner on rota of all areas throughout the day</p> <p>Teacher responsibilities to be reflected in Department level risk assessments.</p> <p>Regular reminders are given in staff briefings to reiterate Teacher/pupil responsibilities for cleaning.</p>	<p>Bursary</p> <p>All</p>

Hazards identified	Control measures	Extra measures needed	Person responsible
Heating and Air-conditioning units	<p>The risk of air conditioning spreading coronavirus is extremely low as long as there is an adequate supply of fresh air ventilation. (HSE 01/12/20).</p> <ul style="list-style-type: none"> • Units confirmed as stand alone and not centralised. (air <u>is not</u> removed from one room and circulated into different rooms) • Ensure unit is operating on 100% recirculation for optimal air flow • Recirculation units for heating and cooling that do not draw in a supply of fresh air can remain in operation provided there is a supply of outdoor air, for example windows and doors left open • Ensure mechanical systems are maintained in line with manufacturer's instructions – routine maintenance check completed September 2020 • Contractors advise that when system is running in heating mode the air gets to above 40degrees which reduces the virus survival rate which reduces transmission risks. • If practical allow breaks or fallow periods between occupants and purge ventilation 	<p>Windows to be opened (partially if its cold)</p> <p>Site team to ensure units set to correct mode</p> <p>Ensure routine maintenance is up-to-date. All units set to heating mode only</p>	<p>ALL</p> <p>Site team</p> <p>Site Team</p> <p>Site team</p>
Use of outdoor areas and play equipment	<p>Dedicated outside area for each bubble</p> <p>Wet weather plan in place for juniors. Seniors in tutor rooms</p> <p>Access to outdoor equipment that cannot be cleaned to be restricted</p>	<p>Static outdoor equipment (eg. bench seating, junior play structures) to be routinely disinfected.</p>	<p>Executive</p>

Hazards identified	Control measures	Extra measures needed	Person responsible
Swimming	<p>Swimming pool to open from 01/05/2021.</p> <p>Lessons to be taught in bubbles</p> <p>Well ventilated additional changing facilities provided next to the pool</p> <p>Enhanced risk assessment produced to account for COVID measures. Please see school website.</p> <p>All PE staff teaching swimming to receive refresher H&S and instructor training prior to lessons commencing.</p>		<p>Head of PE Bursar Estate Manager</p>

Hazards identified	Control measures	Extra measures needed	Person responsible
Meals/Snacks	<ul style="list-style-type: none"> • Food and drink should only be consumed in areas that are suitable • Staff and students to bring their own snacks for the day. Gabbies will not be open. • Dedicated tables in the dining room for each bubble. • Strict rota and timings for entry into the dining room. • A takeaway staff lunch will also be available to allow teachers to eat in other locations such as offices. • 6th form will order either a meal in the dining room or a grab and go bag which will be delivered to the Farmhouse kitchen. • One year group of juniors to eat in settings room to enable greater segregation of bubbles in the dining room • At Break times cohort groups should not mix. • Hand cleaning facilities or hand sanitiser should be made available before entering any room where people eat and should be used again by all persons when leaving the area. • Food should be protected against contamination by coughing, sneezing, etc. • All adults should sit 2 metres apart from each other whilst eating and avoid all contact. • Drinking water should be provided with enhanced cleaning measures of the tap mechanism introduced. • All rubbish and waste should be put straight in the bin by the user and not left for someone else to clear up. 	<p>Teacher/TA to sit with junior pupils in the Dining Hall to support and maintain bubbles during lunch service.</p> <p>Sneeze screens in place. No self serve</p> <p>Clean of dining room between Junior and Senior sittings</p>	Staff

Hazards identified	Control measures	Extra measures needed	Person responsible
<p>Someone develops symptoms of Covid-19 whilst at work</p>	<p>Immediately report to the School Nurse and follow the procedure for presenting symptoms of Covid-19. These have been circulated to staff and parents before the beginning of term.</p> <p>Avoid touching anything.</p> <p>Cough or sneeze into a tissue and put it in a bin or, if you do not have tissues, cough and sneeze into the crook of your elbow.</p> <p>You must follow the NHS guidance on self-isolation and not return to school until your period of self-isolation has been completed. Details of requirements have been circulated to parents and staff.</p> <p>Following the hygiene and social distancing advice will help to minimise spread of the virus.</p> <p>A note of all persons who the affected person has been in contact with is to be made, and these are to be monitored for symptoms throughout the following two weeks. The school will follow PHE and other local guidelines and requirements.</p>	<p>PPE needed for School Nurse and supporting Covi19 medical staff.</p> <p>Procedure for safely disposing of PPE following PHE guidance.</p> <p>Use dedicated room for covid symptoms isolation holding area.</p>	<p>All Medical</p> <p>Medical</p>
<p>Contaminated workplace</p>	<p>Affected areas will be decontaminated following UK government guidelines.</p> <p>A deep clean will take place.</p> <p>Following the hygiene and social distancing advice will help to minimise spread of the virus.</p> <p>Air conditioning has been checked and serviced prior to school opening</p>		<p>Bursar, Estates Manager, HR & Operations Manager</p>

Hazards identified	Control measures	Extra measures needed	Person responsible
<p>Hygiene</p>	<p>A cleaning schedule will be implemented throughout the site ensuring that all contact points are thoroughly cleaned and disinfected regularly</p> <p>Alcohol gel/ hand sanitizer, anti bac spray, tissues, aprons and gloves are available in all classrooms and communal areas. Soap is in all toilets and by sinks. Use these as necessary.</p> <p>Common touchpoints such as doors, handles, bins, kitchen sides and equipment are wiped during and at the end of the school day.</p> <p>Enhanced cleaning regimes for toilet facilities.</p> <p>Stationery must not be shared between people. Pupils to bring own pencil case containing the equipment required. Pupils will work with their own designated resources e.g. textbooks, exercise books, sports and technology equipment etc. Equipment that has been touched by pupils will not be reused until it has been cleaned or isolated for the required period of time. Teachers will be encouraged to use sanitisation when marking books, or to mark work using remote means.</p> <p>Internal, non-fire doors, windows will be propped open so that touching door handles etc. is kept to a minimum. Safeguarding and fire safety take priority.</p> <p>Caretaker to open windows during morning opening up rounds to ensure good ventilation</p> <p>Wash your hands at regular intervals - Use warm water and soap rather than hand sanitiser if you can, although this is not always practical.</p> <p>Avoid touching your face with unclean hands.</p> <p>Posters are present across the site reminding people of how to stay safe.</p>	<p>Users to wipe shared computer equipment, photocopiers and other classroom equipment before and after use. Wipes/Paper towels and spray next to equipment.</p> <p>Hand driers and external water fountains out of use.</p> <p>Pupils to bring own pencil cases</p> <p>Bins emptied on a regular basis.</p> <p>Day cleaner to clean common touchpoints and toilets on a rotational basis throughout the day.</p>	<p>All</p> <p>Bursar, Estates Manager, HR & Ops Manager</p> <p>Caretaker</p> <p>Day cleaner</p>

Hazards identified	Control measures	Extra measures needed	Person responsible
Testing	<p>All staff offered onsite LFD test on return to school and will then transition to twice weekly home testing kits</p> <p>Senior school pupils will be offered twice weekly LFD home testing kits on completion of 3 on site tests</p>	<p>Testing centre in place with trained staff – see separate RA</p> <p>Staff to request additional kits as required from the school nurse.</p> <p>Additional pupil kits will be delivered via tutor groups</p>	School nurse
Disposal of PPE	Masks and Gloves, where appropriate are to be disposed of in lidded bins.	<p>Classrooms are provided with lidded 'Tissue' bins in addition to a general waste bin.</p> <p>Dedicated outdoor PPE bin available.</p>	Bursar, Estates Manager, HR & Ops Manager
Staff welfare	<p>Make your own drinks and place empty glasses, crockery and cutlery in the dishwasher. Library temporary staff room will have disposable cups.</p> <p>Junior staffroom dedicated to Junior staff</p> <p>Junior music room dedicated to Nursery staff</p> <p>Senior staff to use Senior staff room and Library – and observe SD within these rooms – Staff to place own used glasses, crockery, and cutlery in dishwasher.</p> <p>Staff illness – inability to staff a class</p>	<p>Signs staff use dishwasher</p> <p>2m mark kitchen kettle/sink</p> <p>Appropriate cover in place</p>	Staff
First Aid provision	<p>It is accepted that social distancing cannot be maintained during the delivery of first aid, but physical contact should be kept to a minimum, and those administering first aid should wear normal PPE appropriate to the circumstances.</p> <p>Wash hands and ensure the affected area is cleaned upon completion</p>		All

Hazards identified	Control measures	Extra measures needed	Person responsible
Fire	<ul style="list-style-type: none"> Emergency evacuations are to take place following social distancing principles as far as is reasonably practicable. Particularly at assembly areas (2m separation). Cohorts should assemble together and not mix with other groups. In the event of an unplanned evacuation, fire safety must take priority over social distancing. 	Local fire procedures updated as required	All
Social interaction	<p>Where possible, maintain at least two metres away from others. Additional staffroom added to allow social distancing</p> <p>Workstations must be spaced apart within office areas.</p> <p>Only hold meetings and briefings that are absolutely necessary and ensure all persons are kept at least 2 metres apart where possible. The use of Skype / Zoom / Teams will be implemented.</p> <p>Stationery and other equipment must not be shared. Teachers to use their own board pens, board rubber etc taking equipment with them between classes.</p> <p>No handshaking.</p> <p>Staff toilets are all individual. Additional facilities added in white corridor</p>	<p>Take some staff room workstations out of use to allow social distancing.</p> <p>Offices: wipe down secretary changeover</p> <p>Poster in staff room reminding to social distance or work elsewhere</p>	All
Close working	<p>Close working must be avoided where possible.</p> <p>Work requiring skin to skin contact must not be undertaken.</p>		All
When social distancing (2m) cannot be applied	<p>Minimise the frequency and time you are within two metres of each other.</p> <p>Minimise the number of people involved.</p> <p>Work side by side, or facing away from each other, rather than face to face.</p> <p>Face coverings must be worn</p>		All

Hazards identified	Control measures	Extra measures needed	Person responsible
Vulnerable employees	Vulnerable staff should talk to their line manager or their Head of Department about any concerns.	School Nurse will carry out individual risk assessments with staff who are known to be vulnerable/live with a vulnerable person.	All staff
Employees who have contracted COVID-19 outside of work	<p>If NHS 111/online determines an employee has or possibly has COVID-19 they will be treated as off sick as per normal School policy.</p> <p>Colleagues who have had contact with a symptomatic employee will be made aware of the symptoms and advised to follow NHS guidelines.</p> <p>Employees with COVID-19 or suspected COVID-19 will self isolate as per government guidelines.</p>	School to be directed by PHE. Consider closure of school for cleaning	Principal and Nurse
Self isolation and wellbeing	<p>NHS 111 online provides advice on when to self-isolate or quarantine and access to an online interactive and personal checklist (Stay at Home Advice)</p> <p>Managers will ensure that all employees that can continue to work during self isolation have the necessary equipment to do their jobs safely.</p> <p>Managers will keep in contact with home workers to support their wellbeing.</p>	Remind school community to follow government guidelines if travelling, particularly around school holiday periods.	Staff, line managers

Hazards identified	Control measures	Extra measures needed	Person responsible
Travelling to and from school	<p>If possible, travel to school on your own.</p> <p>If it is not possible to travel to work on your own, then your journeys should be shared with the same individuals.</p> <p>Ensure everyone has cleaned their hands with hand sanitiser (minimum 60% alcohol based) before getting into the vehicle.</p> <p>Do not fill the vehicle; leave space in the vehicle so that distance between occupants can be maintained.</p> <p>Maintain as much ventilation as possible whilst traveling by opening the windows.</p> <p>Do not make any unnecessary stops during your journey, ensure that you and your occupants travel to work with what they need.</p> <p>When arriving at school, ensure that you and all the occupants of the vehicle wash their hands using hand sanitiser.</p>	<p>School transport will be provided and will follow Government guidance on hygiene and social distancing.</p> <p>School minibus' to be cleaned before and after each trip. Each vehicle will be fogged to sanitise material seat and fittings. Pupils will sit in allocated seats in order of boarding/disembarkation. Eating and drinking will not be allowed. Pupils will not be allowed on transport if showing any symptoms of Covid-19. Face masks will be worn by all including junior pupils</p>	All
Visiting other sites	<p>Follow FCO for travel advice and advise the Principal if you have any concerns or are symptomatic after travelling. Do not come into school.</p> <p>School trips are now permitted within Government guidelines in the UK. Domestic overnight residential trips may resume from 17th May (subject to approval in the Government road map). No foreign trips to take place for the foreseeable future. A full risk assessment, including additional COVID measures is required for each trip.</p>	<p>Executive to monitor Government guidance with regard to trips.</p> <p>Any school trip must be carried out in line with relevant coronavirus secure guidelines and regulations in place at the time of taking the educational visit.</p>	All EVC

Hazards identified	Control measures	Extra measures needed	Person responsible
<p>Visitors</p>	<p>No visitors or contractors will be permitted on site in term time except in an emergency.</p> <p>All visitors to wear a face mask in all communal areas.</p> <p>Visitors and Contractors must not have been in contact with any persons suspected of Covid 19 or showing symptoms their selves.</p> <p>School run and externally coached Extra-curricular clubs to run only where pupils are within their bubble and within a space that allows appropriate social distancing controls for staff and pupils.</p> <p>Music Peris to teach on site from 21/04/2021. Screens provided in teaching rooms to segregate pupils from teachers. Masks to be worn at all times unless the wearing of one physically prevents playing the instrument. Windows must be open for ventilation. Music peris to be offered grab and go lunch and use dedicated welfare facilities.</p> <p>Parents evenings and other events where parents visit site (other than for drop-off and collection) will be held remotely on Teams/Zoom.</p> <p>External lettings permitted for outside facilities only for clubs that have a national Governing body providing a pathway to training. Lettings only permitted out of school hours.</p> <p>Ultimate Activity camps to operate under government and Ofsted guidelines and follow the schools COVID protocols.</p>	<p>External coaches/clubs risk assessment checked by school to ensure it meets the required standard and contains detailed COVID protocols</p> <p>Music Peris offered access to twice weekly LFD testing</p>	<p>All staff</p> <p>Bursar</p>

Hazards identified	Control measures	Extra measures needed	Person responsible
Contractors	<ul style="list-style-type: none"> • Only contractors carrying out essential maintenance deemed necessary to the safe running of the school are to be allowed on site and will read and comply with signs in reception regarding good hygiene. • Staff and contractors are to maintain a safe distance between themselves and others (2 metres). • All contractors are to wash their hands upon entering the site. • Strict hygiene rules to be implemented, all contractors are to be asked to do the following: <ul style="list-style-type: none"> ○ Wash hands on entry into individual work areas – or use alcohol-based hand sanitiser. ○ Repeat the hand washing/sanitising every hour. • Site inductions are to be carried out following social distancing principles (2m separation).The contractor is to notify the premises staff of all areas visited, in order that these can then be thoroughly cleaned. 		Bursar, Estates, HR&Ops
Governors and staff meetings	Large staff meetings will take place via Teams/Zoom. Smaller meetings may take place face to face when held in large well ventilated rooms where social distancing can be adhered to.		All staff
Working in ventilated areas	Staff to open windows where appropriate to keep a flow of fresh air.		All Staff
H&S risks following a period of closure	Health and safety compliance checks have continued during period of closure and record as normal. These include hot and cold water systems, gas safety, fire safety, security. A further check of these systems will be undertaken before re-opening.		Bursar, Estates, HR&Ops
Emergency plans	<p>Appropriate fire wardens will be on site. Checked to ensure that areas of main school have correct coverage.</p> <p>Procedure will be revised to reflect reduced staff.</p> <p>Staff and pupil registers will be in place for checking everyone is out of the building.</p>	Revised fire and evacuation procedure in place.	Bursar
