Visiting Speaker Policy

Authorised by	Resolution of the Board of Governors
Reviewed	Autumn 2016 (1-0-0) April 2017 (1-0-1) Autumn 2019 (1-0-2) Autumn 2020 (1-0-3)

We often invite speakers from the wider community to give talks to enrich the pupils' experience of school, providing them with information that helps them make decisions at different phases of their education, widening their understanding of world and global issues and providing motivational inspiration through the sharing of a speaker's experience. Our responsibility to our pupils is to ensure that they can critically assess the information they receive as to its value to themselves and that the information is aligned to the ethos and values of the School and British values. This policy applies to speakers that give talks to our pupils in person or who use remote technology to address our pupils.

The 'Prevent' statutory guidance (The Prevent Duty: Departmental advice for schools and childcare providers', DfE, July 2015) requires schools to have clear protocols for ensuring that any visiting speakers, whether invited by staff or pupils, are suitable and appropriately supervised.

The protocols are:

- All visiting speakers to have a nominated point of contact at the School (the Organiser).
- All requests for outside speakers require the prior approval of the Principal, Vice Principal or Head of Junior School. The Organiser will submit an Event Authorisation form.
- The Organiser must obtain an outline of what the speaker intends to cover in advance of their visit.
- The Organiser must conduct research on the person/organisation to establish whether they have demonstrated extreme views/actions. The Prevent guidance defines extremism as "vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces".
- People/organisations will not be allowed to use school premises or to address our pupils remotely if they have links to extreme groups or movements. Justification of the School's decision will be provided to the person/organisation in writing.
- The Organiser will ensure that visiting speakers sign the 'Agreement and Guidelines for Visiting Speakers' form as acceptance of the School's terms and conditions.
- The Organiser will conduct a risk assessment in relation to the Prevent Duty.
- A formal register of all visiting speakers will be maintained.
- The Organiser will ensure that visiting speakers are accompanied at all times if in school and are not left unsupervised with pupils at any point. The Organiser will retain control of any remote technology used to address our pupils and will be able to terminate the address at any point.

- The Organised will conduct a post-event evaluation of how the visit met the needs of our pupils. In order to maintain a clear focus on our main priority of teaching and learning within a safe and protective environment, care must be exercised to respect the diverse views and values of all pupils. The Organiser will report to a member of the Leadership teams any expression of partisan political (or one-sided) views so that the school can take steps to offer pupils a fair and dispassionate opportunity to learn about the alternative viewpoint.
- In fulfilling its Prevent Duty the school does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.
