RICKI SMITH

About St Gabriel's

Founded in 1929, St Gabriel's is a vibrant and thriving co-educational independent day school for children aged 6 months to 18 years. With a strong sense of community, our pupils, teaching staff, operational teams and nursery staff together create a warm and purposeful environment where every individual is known and valued.

Our Mission

To provide an education that is both balanced in its approach and inspirational in its content, within a community built on mutual respect and collaboration. We aim to create an environment where pupils are confident, engaged and happy.

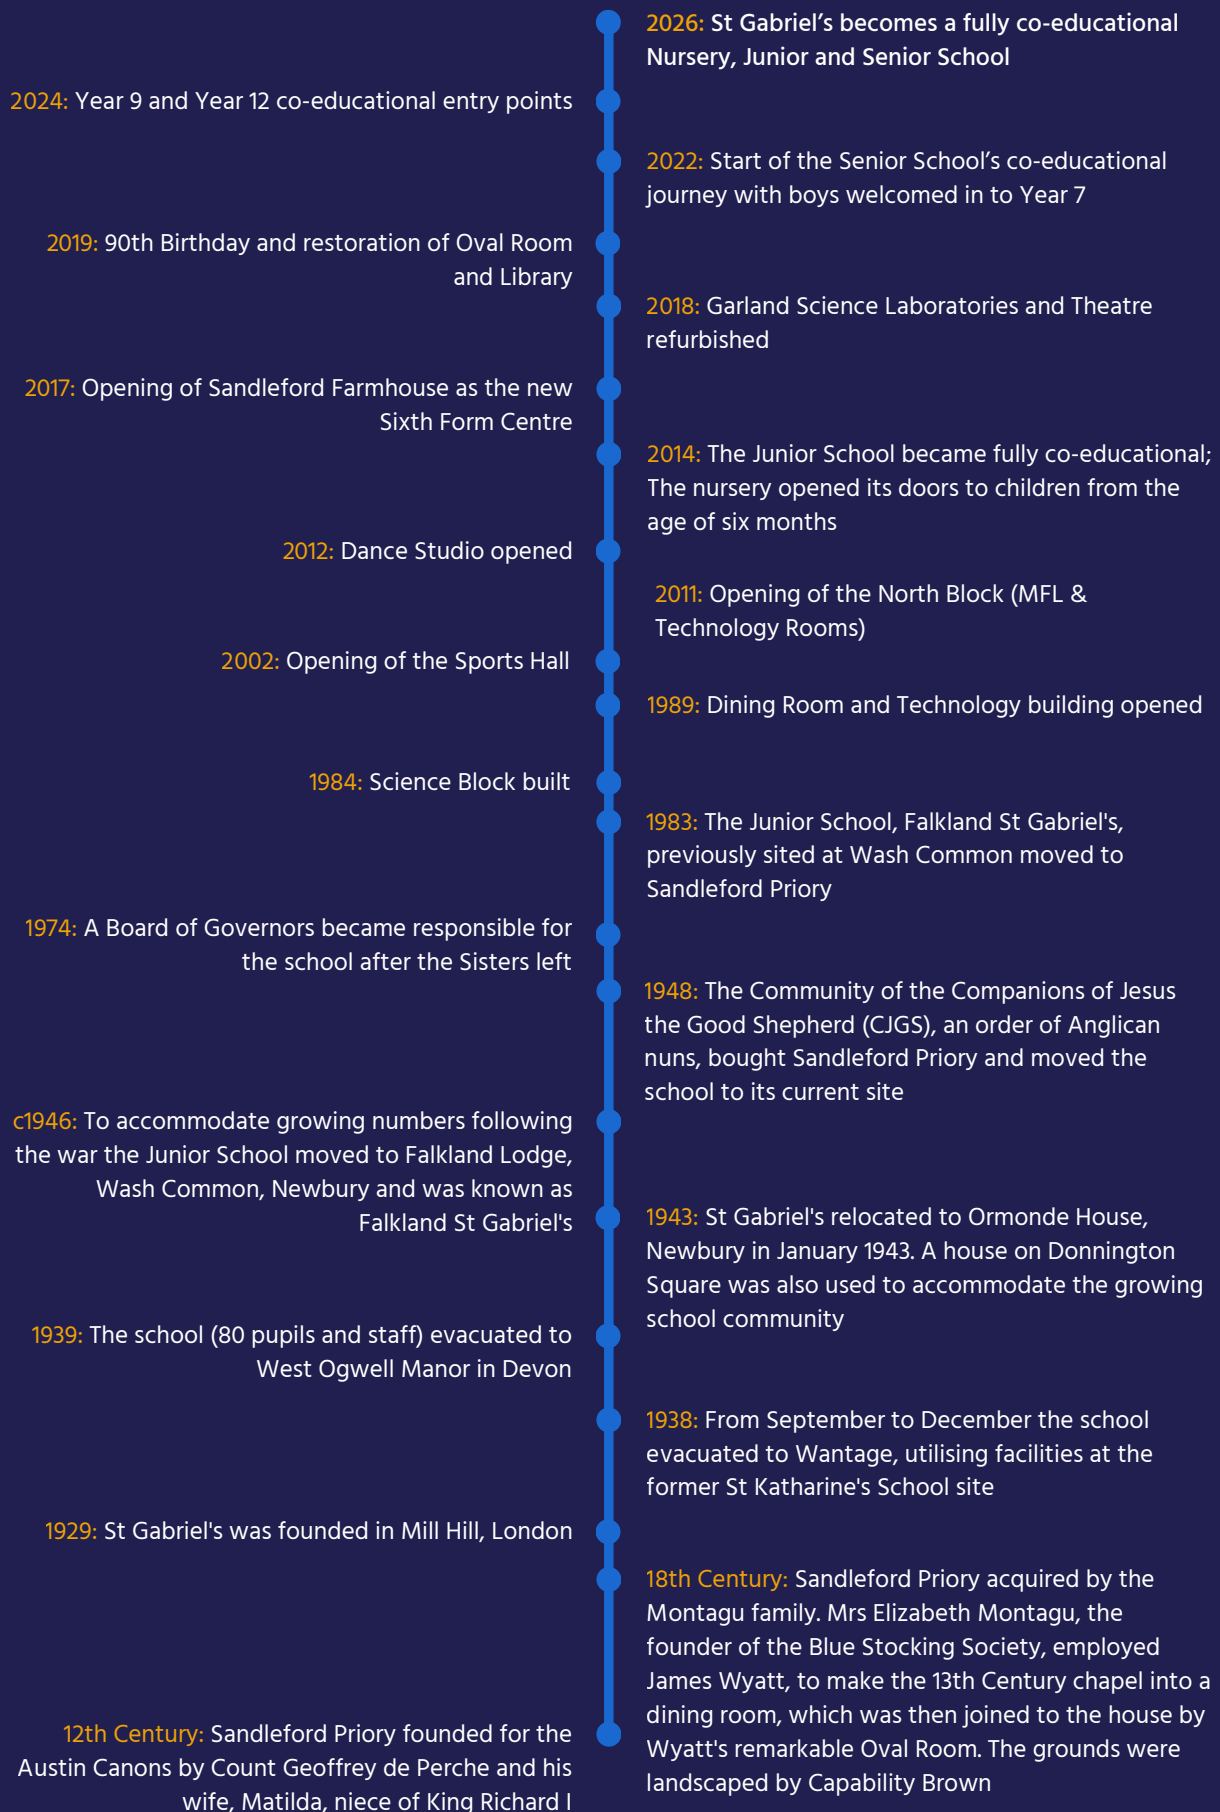

We are proud to be a school where the strength of personal relationships is at the heart of everything we do. Our size enables us to focus on each individual — a school where every pupil is noticed for all the right reasons, and where a genuine sense of community flourishes. From this foundation, we work in partnership with families to help every child achieve the success they deserve.

St Gabriel's: a school founded on community, inspiration, understanding and balance.

Located on the edge of Newbury, the school sits within historic parkland landscaped by Capability Brown. At its heart stands an 18th Century, Grade I listed building, complemented by extensive modern development in recent years.

Providing an exceptional educational experience for families in and around Newbury has always been our focus. Over the past decade, we have successfully established St Gabriel's Nursery and extended our co-educational provision throughout the whole school, from Juniors to Sixth Form, ensuring that every stage of a child's journey benefits from the same ethos and excellence.
