About St Gabriel's

Founded in 1929, St Gabriel's is a vibrant and thriving co-educational independent day school for children aged 6 months to 18 years. With a strong sense of community, our pupils, teaching staff, operational teams and nursery staff together create a warm and purposeful environment where every individual is known and valued.

Welcome to the Nursery

As a parent your child's well-being and happiness is of primary importance. It is equally important to us."

Open across 50 weeks a year between 7.30am - 6.30pm, our Nursery offers boys and girls aged 6 months to 4 years a kind, caring and welcoming environment in which they can learn and grow.

Founded in 2014, the Nursery is very much part of the school community and has been designed to provide a vibrant, stimulating, yet safe, environment for the youngest members of our school. Located in the heart of the school, the children frequently use the wider facilities of St Gabriel's, including the Sports Hall, Junior Music Studio and Theatre.

The children enjoy access to the school's beautiful grounds for bug hunts, sound walks, tree climbing, den building, acting out stories, bear hunts, visiting the school's chickens and collecting natural resources to bring back and use in the nursery and pre-school.

Due to the exciting expansion of our Outstanding-rated Nursery and continued high demand for places, we're growing our team to welcome more families into our nurturing early years community.
