

# Junior Reading List - Natural World

Selected reading books and useful websites are offered as a guide to parents to support their child's learning at home.

## **The Dinosaurs Book - Dorling Kindersley (Publisher)**

Spilling over with more than 1,000 stunning images and hundreds of fascinating facts, this spectacular visual tour takes you up close and personal with the most incredible creatures that ever existed. Suitable for Year 3 and up.

## **Nick Baker's Bug Book - Nick Baker**

We are all fascinated by, and often wary of, the tiny animals that creep and crawl in our gardens or lurk in the dark corners of our homes, but how much do we really know about insects and their relatives? Packed with details on essential equipment for bug watching and collecting, informative illustrations and close-up photography, this book is essential reading for budding entomologists of all ages.

## **Eyewitness: Weather - Dorling Kindersley (Publisher)**

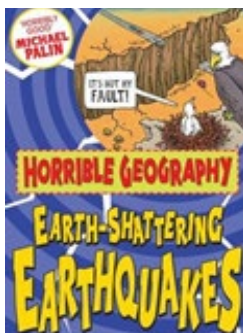

Look to the skies and discover the amazing power and beauty of the weather and how it affects our lives. This title is packed with fantastic facts and dramatic photographs and helps you delve into projects or just for fun, come rain or shine! Suitable for Year 2 and up.

## **Gardening Projects for Kids - Jenny Hendy**

60 step-by-step projects have ideas for doing things indoors, growing fruit, vegetables and flowers, making crafty bits and pieces for the garden and encouraging wildlife to visit. Whatever the weather, here are masses of ways to keep you occupied in and out of the garden, with fun activities for all children, from tiddlers to safari explorers. Suitable for Years 2 - 6.

# Junior Reading List - Natural World

## Horrible Geography - Anita Ganeri

Learn about raging rivers, bloomin' rainforests and violent volcanoes, these are just some of the titles available in this series for Year 4 and up.

## Egg - Dorling Kindersley (Publisher)

Find out about all different kinds of creatures that hatch out of eggs, from the fluffy chicks and ducklings to the scaly snakes and lizards. This book contains photographs and details of the hatching process of many different types of egg. Suitable for Year 3 and up.

## Natural World Themed Websites

Here are a few website suggestions for exploring the natural world.

### Dinosaurs

#### Visit: [American Museum of Natural History](#)

This is an American website so be aware that the dinosaurs are measured in feet rather than metres!

#### Visit: [RSPCA](#)

Advice and information on pets and pet care from cats and dogs to reptiles and horses.

#### Visit: [National Geographic](#)

Photographs and information about some of the strangest creatures under the sea!

#### Visit: [Climate Kids](#)

Make a terrarium or repurpose an old T shirt as a shopping bag.
